

# *Field Service Bulletin*

FSB-0210-MISC-01  
February 25, 2010

**Date:** February 25, 2010

**To:** All EFJohnson customers, dealers, and employees

**Subject:** Lithium Ion battery, 587-5100-364

The Lithium Ion (Li-Ion) battery (part number 587-5100-364) has been enhanced to support the UHF frequency range (380-512 MHz). Product compatibility for the different frequency bands is provided below including illustrations of how to identify the battery revision via the revision number on the battery label and the company logo on the battery label and box.
