

Service Bulletin

To: All EFJohnson Customers and EFJohnson associates

Subject: Support Discontinuance for the 8620 and 8621 Series Multi-Net® Mobile Radios

EFJohnson is committed to the continued support of our products and customers, but key components for the 8620 and 8621 Series Multi-Net® Mobile Radios have become obsolete and supply can no longer be guaranteed. We, therefore, regret to announce that, effective immediately, EFJohnson will discontinue support for all 8620 and 8621 Multi-Net® Series Mobile Radios.

EFJohnson will continue to meet all contractual commitments to support these products, but unless contracted otherwise, the following conditions will apply:

- ⇒ These products will not be accepted for repair at EFJohnson's Depot Repair facility
- ⇒ Parts for these products will be available for purchase only until current supplies are exhausted
- ⇒ Technical Support will no longer be available for these products
- ⇒ Maintenance Agreement renewals will exclude these products

This bulletin covers, but is not limited to, the following model numbers:

242-8620-xxx	8620 Multi-Net® Mobile
242-8621-xxx	8621 Multi-Net® Mobile

Support for other models of the 8600 series Mobile Radios was discontinued on Service Bulletins:
0906-LTR-01, dated 9/25/06
1106-MN-02, dated 11/1/06

Multi-Net® remains a vital part of the EFJohnson portfolio and we continue to offer the Ascend™ series of mobile radios.
