Subject: Support Discontinuance for the 5000 Stealth® Portable Radio

EFJohnson is committed to the continued support of our products and customers, but key components for the 5000 series Stealth Portable Radio have become obsolete and supply can no longer be guaranteed. This product was last manufactured in the second quarter of 2002. We therefore regret to announce that, effective immediately, support for the 5000 series Stealth Portable radios will be discontinued by EFJohnson.

EFJohnson will continue to meet all contractual commitments to support these products, but unless contracted otherwise, the following conditions will apply:

- ⇒ These products will not be accepted for repair at EFJohnson's Depot Repair facility.
- ⇒ Parts for these products will be available for purchase only until current supplies are exhausted.
- ⇒ Technical Support will no longer be available for these products.
- ⇒ Maintenance Agreement renewals will exclude these products.

This bulletin covers, but is not limited to, the following model numbers:

242-50xx-xxx 5000 Stealth® Portable
