

# 3eTI Product Inactivations and Currently Active Products

**March 31, 2008**

## Announcement to All Dealers and Personnel

Please be advised that the following 3eTI brand products have been inactivated and are no longer available for sale. These products have been removed from the website, with the exception that some may be mentioned in case studies for past projects or in feature articles and white papers.

Many of these products have been superseded by products that are currently offered.

<b>3eTI INACTIVATED PRODUCTS</b>			
<b>523 Series</b>	<b>525 Series</b>	<b>527 Series</b>	<b>Other Products</b>
3e-523	3e-525A	3e-527	3e-528-3
