51FIRE ES Portable Radio

Designed for firefighters, engineered for safety. The new 51FIRE ES Series portable radio is specially designed with your needs in mind. That's why the 51FIRE ES is packed with standard features so you don't have to worry about losing communications, especially at the most crucial times. The 51FIRE ES allows you to focus on what's most important: fighting fires and saving lives. Optional FIRESafe software features enhance communication awareness and are simple to use.
